Paisley Cookson : Paisley's Pasta Times before purchasing it in order to gage whether or not it would be worth my time, and all praised Paisley's Pasta Times:

2 of 2 people found the following review helpful. Inspiring and joyfulBy MaddyI had the pleasure of meeting Paisley only one time, introduced to her by my daughter. We read Paisley book together, and find it a delightful read. Paisley was a bright light in this world, and not only will those who knew you continue to be inspired by you, but those who read your book will as well. I'm most inspired by get hiking all the way up those steps! Read and you'll see why.0 of 0

people found the following review helpful. I love you, I miss you, See you soon!By BAAI love you Paisley

An American's Italian study abroad tale complete with - making friends with the local cats - getting locked in a spider-ridden hostel bathroom - learning Chicken parm is an American creation - wishing castration for pick-pocketing Romans - undergoing spiritual awakenings while attempting a hill in Florence (and while attempting to pass her yoga class)
