Hiking and climbing map of Paklenica National Park in Croatia. Sheet size 98 x 68 cm / 38.5" x 26.5". The terrain is presented by contours at 10m intervals enhanced by relief shading, with markings for various topographic features. Waymarked hiking trails are highlighted, indicating sections with ropes and where hikers must remain on the path due to the possibility of landmines still remaining in the surrounding area from the civil war. Road network shows recommended cycling routes. Symbols indicate various facilities and places of interest, including different types of tourist accommodation, restaurants, grocery shops, petrol stations, viewpoints, etc. The map has a 1km UTM grid, plus latitude and longitude lines at 1' intervals. The reverse side shows the area of Velika Paklenica at a larger scale of 1:10,000 showing climbing routes. Also provided are route profiles and GPS coordinates for 11 recommended hiking trails, as well as general information about the area. Map legend and all the text include English.
