From Jihlava Tourism Office, Czech Republic : PANORAMIC MAP OF JIHLAVA, CZECH REPUBLIC
before purchasing it in order to gage whether or not it would be worth my time, and all praised PANORAMIC MAP
OF JIHLAVA, CZECH REPUBLIC:

There is nothing more beautiful than a panoramic map of a city (especially in the 'old country'). Also includes details
in English, German and Czech about many of the sites seen on the map.
