The Ultimate Traveling Companion GuideBy Emily RollerMuch like the Kids' series, the Parents' Travel Guide is exceptionally helpful in showing parents how to navigate the troubling twists and turns of traveling with children in tow. With useful maps, information to interest the kids, and lots of tips and tricks available, the Guide offers the most exhaustive and complete collection of sights and cultural experiences that no parent or child will want to miss out on. Any vacation can be improved by understanding the how-to of traveling with kids, and this series is one of the best for making that possible.

Family vacations are fun! Both parents and children are excited, and memories from the vacation last for life. But we all know that traveling with kids is never easy, and it is hard to find those fun family moments in between all the challenges and logistics. With Parents' Travel Guide - Rome, let all your worries about how to travel, and what to do disappear! We provide everything you need to know to pack up your suitcases and see the majestic sights of Rome - with the entire family. This practical guide takes away any surprises traveling with a pack of children may present. Parents' Travel Guide provides a seven days itinerary that caters to parents and children, including visits to the most important monuments, how to explain their significance to the kids, and how to avoid the long lines—so you don't have to worry about planning a single moment! Get the most out of your family travel! More from FlyingKids • Kids' Travel Guide – The Special Series for your kids. Your children will have their very own kid-friendly tour guide, Leonardo.
