Daniel Curley, Roger Ebert : Perfect London Walk before purchasing it in order to gage whether or not it would

be worth my time, and all praised Perfect London Walk:

3 of 3 people found the following review helpful. but like most other people in the world
By S. Garsson I have my gripes with Ebert, but like most other people in the world, was sad when he passed away. This is a neat little book, and it is a pleasure to own and read, and anticipate the walk....have only been to London once and am really hoping to make this happen in the next 8-10 years. I recommend the book, even if you don't make the walk it is a sweet read.
1 of 1 people found the following review helpful. A great walk.
By Andrew Williams If you love London like I do this is a great book to have. I've done the walk and followed the text like a treasure map. The people you meet along the way are so friendly. Lunch at Spaniards Inn (circa 1585) is a must-do. Bring your camera.
0 of 0 people found the following review helpful. The best way to explore London!
By MDuracell We used a friend's copy of this book to explore London- had to have a copy of mine own for my next trip... Thank you Roger Ebert!!!

Three veteran London visitors take their readers on a rambling off the beaten path, into a fascinating section of the city where tourists rarely find their way. Film critic Roger Ebert, short story writer Daniel Curley, and photographer Jack Lane leads the way across Hampstead Heath and through legendary pubs and haunted cemeteries, a stately home, and the tiny cottage where Keats wrote and wooed.
