From Philip's : Philip's Spain and Portugal Road Map before purchasing it in order to gage whether or not it would be worth my time, and all praised Philip's Spain and Portugal Road Map:

Philip's Spain and Portugal Road Map shows the countries at a standard scale of 1:1M (1 cm on the map = 10 km on the ground). The map includes a comprehensive index, plus detailed town plans of Alicante, Barcelona, Lisbon, Madrid and Seville, with tourist information clearly marked. The double-sided map has been specially prepared for long-distance travel, picking out major routes and destinations in bold colours for easy journey planning and route-finding, and is a convenient size for use in a vehicle. The digital mapping gives excellent clarity, showing road networks in exceptional detail for this scale. High-quality travel information includes a wealth of useful detail marking car ferries, national parks, ski resorts, beaches, cathedrals, castles, ancient monuments, and many other places of interest.
