This fully updated Philip's street atlas of West Yorkshire gives comprehensive and detailed coverage of the county in a convenient spiral-bound format. The route planner shows all the A and B roads, and can be used when driving to get close to the destination before turning to the relevant large-scale street map. The street maps show every named road, street and lane very clearly, with major roads picked out in colour. The maps are at a standard scale of 3.5 inches to 1 mile. In addition, the city centres of Bradford, Halifax, Leeds and Wakefield are shown at 7 inches to 1 mile. Other information on the maps includes postcode boundaries, car parks, railway and bus stations, post offices, schools, colleges, hospitals, police and fire stations, places of worship, leisure centres, footpaths and bridleways, camping and caravan sites, golf courses, and many other places of interest. The comprehensive index lists street names and postcodes, plus schools, hospitals, railway stations, shopping centres and other such features picked out in red, with other places of interest shown in blue. Philip's Street Atlas West Yorkshire is suitable for both business and leisure use.
