The narratives and descriptions are short and simple ...By CustomerThe images portraying nature, industry, rural and urban life, are absolutely beautiful. The narratives and descriptions are short and simple leaving the black and white photos to give the book its depth. The whole book has a poetic, dreamy, nostalgic feeling. Great for the collection for people visually interested in that time and place (circa early to mid 1900s). Plus the hard, woven, cloth-like cover gives it extra character. Some may find it dry and boring, but for someone like me who loves all thing antique and Scandinavian, this book is just great.

BEAUTIFUL ROUGH-CLOTH COVERED BOOK (Hemp?). WELL-DONE SEPIA-LIKE PHOTOS. PARTIAL list of contents: Fall; Nature in the Raw; Settlers; Humble But Free; Finland's Forests; Winter; Wood; Paper and Cellulose; Iron Industry; Outokumpu Ore; Steel; Cement; Pottery; Housing; Cities; Spring; Floating; Farmer's Spring Rush; Summer; Sabbath; Helsinki; etc. 175 pages.
