Wilfried Seipel : Pieter Bruegel The Elder before purchasing it in order to gage whether or not it would be worth my time, and all praised Pieter Bruegel The Elder:

Pieter Bruegel the Elder (c.1528/30–1569) is famous for having elevated the status of landscape painting. He is also considered to be the greatest sixteenth-century Flemish master of scenes from ordinary life. This beautifully illustrated volume presents twelve world-famous masterpieces shown in full color, both in their entirety and in close-up detail.
