digital version is especially helpful, as one can flip through the Kindle version on an iPhone while walking the streets of Rome. I've read just about every similarly themed book on Rome I could find, and Blue Guides' Pilgrims Rome is the best. 0 of 0 people found the following review helpful. I'm not Catholic but I am Christian and wanted a book that gave fantastic Biblical history of Rome. This book is unbiased, detailed, and very easy to read and enjoy. Next purchase Blue Guide Venice and Rome.
