Claire Nahmad : Pilgrimage to Iona: Discovering the Ancient Secrets of the Sacred Isle before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pilgrimage to Iona: Discovering the Ancient Secrets of the Sacred Isle:

0 of 0 people found the following review helpful. Too much fantasy?By Harvey 6fThe book was a gift for my wife. She tried reading it but gave up before the 100 page mark. She has been reading extensively about Iona prior to our visit. She is big on her Celtic roots and related spirituality.It may be a good book but it did not speak/whisper to her. What she read to me was a little too woo-woo for me to understand.0 of 0 people found the following review helpful. Iona is a Paradise of MysteryBy Jeffrey BohnIs she reliable? Did she actually receive all this info? Who knows. Interesting non the less and worth looking at.0 of 0 people found the following review helpful. Five StarsBy Cassielthe IONA book, if you want to connect your soul with this sacred place

A celebration of the beauty and mystery of Iona—a hallowed place of pilgrimage and spiritual self-discovery. With a history swathed in spirituality and mystery, the Scottish isle of Iona has always been revered as a holy place, the center of Scottish Christianity. Legends abound of Jesus and Mary Magdalene alighting and living here before the Crucifixion, and Christ is believed to have visited the island with his mother. Celebrating sacred Iona as a place of pilgrimage, Claire Nahmad explores the fascinating ancient link between Iona and Rosslyn Chapel, the extraordinary unfinished building near Edinburgh, another prominent destination for those interested in biblical, masonic and pagan history. Nahmad takes you on a journey of revelation, unlocking the golden secret of the island and unveiling the undisclosed legacy of the Knights Templar.

About the AuthorCLAIRE NAHMAD has written bestselling books on feminine spirituality, angel communication and esoteric secrets contained within history. The inner worlds of spiritual percipience have been open to her since childhood and her intuitive explorations inform her writing. Her books include The Secret Teachings of Mary Magdalene and Summoning Angels.
