**Cool Image : Pispala Stairs in Tampere Finland Journal: 150 page lined notebook/diary** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pispala Stairs in Tampere Finland Journal: 150 page lined notebook/diary:

A life worth living is worth recording, and what better place than this journal? These lined pages crave your scribbled notes, thoughts, ideas, experiences, and notions. Fill the lines, remember your life, don't lose your ideas, and keep reaching higher to live the best life you can. It all starts here, folks, but you'll need your own pen or pencil. Write on!
