DK : Pocket Map and Guide Vienna (Eyewitness Pocket Map Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Map and Guide Vienna (Eyewitness Pocket Map Guide):

0 of 0 people found the following review helpful. Type too small for the over 40By Sheila McGee-SmithIn hind sight, which I gotten a full size book. Even for a short trip, the savings in size in terms of lugging it around didn't make up for the hassle trying to read it.0 of 0 people found the following review helpful. All you need to carry in ViennaBy NailpolishVery compact, informative little book. Handy to take on your trip. You have everything there. The street map was detailed enough with metro stops on it. Metro map folded out in the back. I read the big DK book for supplements but I only packed the pocket guide. I love it! Also saw another person on a walking tour carrying the same. I wish it had more info and a better map on the out of town trips but I guess that would negate the pocket size purpose, which it promised and delivered totally.7 of 7 people found the following review helpful. Pocket Map for ViennaBy statue86I used this guide and map on a recent trip to Vienna. It was a lifesaver for getting around the Inner Stadt but not as useful outside of the central part of the city. The subway/bus/tram information was useful when I needed to get somewhere fast! It is particularly useful because it is easy to hold in your hand while walking and looking for street names. Overall I would not leave home without it.

Every visitor to Vienna needs a good map and a good guidebook-now, for the first time, the two have been combined in a unique format at an unbeatable price. Perfectly sized to fit in a purse or back pocket, the Eyewitness Pocket Map Guide is a fully illustrated guide to all the major sights-plus an ingenious fold-out map so you will never feel lost. The guide also includes restaurants, pubs, shops and a mini-phrasebook. It's all you need for a perfect day out and about-and for just \$6.99.

Light enough to slip into your pocket, but still contains all the crucial info. -- Independent On Sunday
