**Rob Humphreys : Pocket Rough Guide London (Rough Guide Pocket Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pocket Rough Guide London (Rough Guide Pocket Guides):

5 of 5 people found the following review helpful. A basic London guide  
By Classy Grandma  
Pocket-size London Rough guide is a basic guide for London. It gives basic information for attractions including addresses, phone numbers and hours. It works as supplemental but you need to use along with more comprehensive resources. I purchased it most specifically to have a purse-size reference with the maps--the tube map in the front, the fold-out in the back and maps included throughout the book have good detail. These were very useful on a recent London trip. The price of the guide including the maps is similar to the price of some maps alone so it is a decent value.  
0 of 0 people found the following review helpful. Pretty good for hitting the greatest hits if you've never been to London  
By Tony  
I'd hoped it was a pocket size guide that would still be pretty inclusive. I should have stuck with the larger one...this book has the greatest hits, but I'm pretty familiar with those. Okay if you don't have internet access to find out opening hours, etc. (although Rough Guide becoming less reliable about those), but I ended up loaning it to a friend who was in London at the same time and had never been there before. It was much better suited to him.  
0 of 0 people found the following review helpful. Love the Rough Guide!  
By Customer  
Just back from London 7/16/13, easy to locate the areas we were at using this guide, color indicators helped a lot, hit most of the highlighted spots in this guide, not all but it really helped when no one could decide where to go! Loved the convenient map in the back pocket. Pretty good in this world  
travelers opinion, we plan to go back soon

The best London has to offer — in your pocket. The Pocket Rough Guide to London is your essential guide to the British capital, with the all the key sights, restaurants, shops, and bars in an easy-to-use format, and a full-color pull-out map. Whether you have an afternoon or a few days at your disposal, Rough Guides' itineraries help you plan your trip, and the "Best of London" section picks out the city's highlights you won't want to miss, from the mind-boggling treasure-trove of the British Museum to the gargantuan exhibition spaces of the Tate Modern. Divided by area for easy navigation, the "Places" section is written in Rough Guides' trademark honest and informative style, with listings of the must-see sights and our pick of the places to eat, drink, and dance, from cozy and welcoming traditional pubs to the latest champions of London's culinary revolution. Make the most of your time with The Pocket Rough Guide to London.
