Roy Ellwood : Points of Interest Walks in and around West Yorkshire before purchasing it in order to gauge whether or not it would be worth my time, and all praised Points of Interest Walks in and around West Yorkshire:

This book contains details of 10 walks in towns in and around West Yorkshire. Each Walk is reasonably short, usually less than 2 miles, and entirely on hard surfaces. They do not require the wearing of special footwear or clothing. Along the way each walk highlights all the Points of Interest. Some, but not all, are suitable for wheelchairs. Each walk has

an accompanying free app available for Android devices to be downloaded and installed on a smartphone or tablet.
