The calendar is quite nice, and I enjoy looking at it By burycot Since my company no longer gives us calendars for our offices, I must provide my own. I purchased this since I recently visited Poland. The calendar is quite nice, and I enjoy looking at it, as it brings back good memories of my vacation. Only wish there were a few pictures of Krakow, which is a very beautiful city! 0 of 0 people found the following review helpful. Ok considering how few Polish calendars are on the market By Anthony Miller Generally disappointing. Has photos of Poland but the months are listed in several languages except Polish! Very odd. Poland by Mail does a better job but they don't publish a calendar every year. Szkoda! (too bad). 0 of 0 people found the following review helpful. Wonderful Polish calendar By G.F. vonBrosiniski Another wonderful Polish calendar, by the good people at Brown Trout!

Poland is a beautiful country, rich with history and culture. Don't be fooled by the notorious cold winters, that's only one part of Polish culture and lore. In fact, the people of Poland are warm and welcoming. This calendar features images of famous architectural points of interest, city scenes, as well as rural natural landscapes. Includes a free download of the TravelDays™ app for the smartphone and tablet, which grants access to the world's best destination photos and backgrounds, fun puzzles, and a calendar featuring picturesque places that will transport you from the day-

to-day to the truly memorable. BrownTrout is committed to sustainability.
