From Automobile Association : Poland (AA Spiral Guides) before purchasing it in order to gage whether or not it

would be worth my time, and all praised Poland (AA Spiral Guides):

"AA Spiral Guide Poland" offers a witty and lively reading style, with bold colours and strong classic photographs making it an appealing and fun read. The magazine section echoes the look and feel of a glossy Sunday supplement and coupled with entertaining text will really set the scene to your trip to Poland. The guide also includes listings, walks and tours and a streetplan of the area, along with fold-back-flat spiral binding for flat folding pages, this is the ideal holiday guide to Poland.
