**Jasper Tilbury, Pawel Turnau : Poland (Blue Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Poland (Blue Guides):

In this book walks around the major cities of Warsaw, Krakow, Gdansk, Poznan, Lodz, Torun and Wroclaw are tailored to lead you to all the important sites. Up-to-date information is given on hotels and restaurants as well as an insider's view of Poland, its culture, people, myths and folklore. There are also articles on Polish art and architecture, literature and history.
