Helpful Preparation for Business Trip to PolandBy S. UlrichI've used the Culture Smart series to help prepare for extended business trips to new countries before and Poland was no exception. What I like about these books is they are quick reads that are precise and to the point. Obviously, this book didn't prepare me for every encounter with a Pole, but it helped put a culture's psyche and history into context to help me better understand various situations and reactions. This is not a travel book and it isn't an in-depth essay on the massive and complex Polish history. It is simply a valuable prep tool that summarizes and explains Polish culture today and includes some helpful tips on how to deal with potential cultural clashes that may be encountered both on the street and in the boardroom. It won't waste your time and I believe it to be a good value.

Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and society of a particular country. It will help you to turn your visit-whether on business or for pleasure-into a memorable and enriching experience. Contents include* customs, values, and traditions* historical, religious, and political background* life at home* leisure, social, and cultural life* eating and drinking* do's, don'ts, and taboos* business practices* communication, spoken and unspoken "Culture Smart has come to the rescue of hapless travellers." Sunday Times Travel "... the perfect introduction to the weird, wonderful and downright odd quirks and customs of various countries." Global Travel "...full of fascinating-as well as common-sense-tips to help you avoid embarrassing faux pas." Observer "...as useful as they are entertaining." Easyjet Magazine "...offer glimpses into the psyche of a faraway world." New York Times
