**Teresa Czerniewicz-Umer, Malgorzata Omilanowska, Jerzy S Majewski : Poland (DK Eyewitness Travel Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Poland (DK Eyewitness Travel Guide):

A good guide book but -By denisThere is a lot of practical information on getting around in the country packed into this guidebook, as well as a concise but illuminating summary of Poland's complex history. Although the book is filled with pictures and brief descriptions of key sites, we found it only modestly useful in prioritizing the things we most wanted to see and in laying out an itinerary.

Your holiday starts the moment you open the guide..."The best guide available. Packed to the brim with colour photos, maps and essential information" - Reader review. Capture the essence of Poland, from the Tatra mountains in the South to the stunning Slow'inski National Parks sand dunes. Photos, illustrations, unique 3D models and birds-eye-view maps of all the major sites ensure you don't miss a thing. Clue up on the basics, from the most comfortable places to stay (whatever your budget) to the best bars and restaurants. Discover where the locals go, enjoy relaxing entertainment, amazing sites and retail therapy, exciting sports, scenic walks or drives, thematic tours and colourful festivals. This guide offers all you need for an unforgettable trip. It is a winner of the "Guardian Observer" 'Best Guide Books' and "Wanderlust Magazine" Silver Award for 'Top Guidebook'.
