Social Development; With Numerous Maps (Classic Reprint):

Excerpt from Poland: Her People, History, Industries, Finance, Science, Literature, Art, and Social Development; With Numerous Maps The object Of this Polish Handbook is to furnish the public with concise information concerning Poland at a moment when the future of Europe is being decided by the Great War. We have tried to place before the reader an account, short but as complete as possible, not only of Poland's historic past but Of her present, of her material and moral forces, of her unquenchable energy: in short, of all that proves her fitness for, and right to, liberty.
