Tomasz Torbus : Poland (Nelles Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Poland (Nelles Guides):

A well-rounded introduction delves into the culture and history of Poland, tempting you to explore. The "What to See

Do" section for each area can cover anything from sightseeing and driving tours to jungle treks and visits to the local museums. You'll find detailed entries for restaurants, shopping, entertainment, festivals and more. Illustrated with over 160 colour photos and maps.
