Discovery of our family's rootsBy Sylvia LifshitzThis book has information about many destroyed Jewish Shtetls in

Poland. Some of those have no remaining signs of the life of Jews in those communities. The name of these communities will remain available, and enable us to remember the past, that was so cruelly destroyed by the Nazi troops and their collaborators.

Complemented by over 70 maps, illustrations, and timelines that illuminate the history and achievements of Polish Jewry, this guide provides thorough and detailed lists of synagogues, monuments, cemeteries, and other places of Jewish heritage.
