David J.J Evans : Portugal, 5th (Country Regional Guides - Cadogan) before purchasing it in order to gage whether or not it would be worth my time, and all praised Portugal, 5th (Country Regional Guides - Cadogan):

From the beaches of the Algarve to the cosmopolitan city of Oporto, Cadogan will entice, inspire, and excite the senses with shrewd analysis and evocative description of this varied landscape.

"replete, witty, and wonderfully lucid."--Travel Publishing News"a marvelous collection of treasure and trivia."--The Daily Telegraph (United Kingdom)"Not for beach and bar tourists but for real travelers."--The Observer (United Kingdom)
