Henry John George Herbert Carnarvon : Portugal and Galicia: With a Review of the Social and Political State of the Basque Provinces (Classic Reprint) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Portugal and Galicia: With a Review of the Social and Political State of the Basque Provinces

(Classic Reprint):

Excerpt from Portugal and Galicia: With a Review of the Social and Political State of the Basque Provinces
Several years have now elapsed since the narrative of my Journey through Portugal and Galicia appeared in print still more have passed away since it was written. This narrative was originally meant to have been appended to a political treatise upon Portugal, published at a still later period; in that treatise I endeavoured to give my readers some insight into the laws of Portugal, the municipal and judicial system of that country, the tenures of property, the actual state of her trade, and the relative strength and position of the political parties which then divided the kingdom. That work referred exclusively to those deeper and drier considerations which, however fraught with interest to the politician, are comparatively little congenial to the taste of the general reader; but this narrative of my Journey through Portugal is of a lighter cast, containing some sketches of society, mixed up with personal adventures, and occasionally alluding to those peculiar habits, superstitions, and opinions upon which the political changes of the last few years can have as yet produced no sensible impression. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
