Baedeker : Portugal Baedeker Guide (Baedeker Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Portugal Baedeker Guide (Baedeker Guides):

0 of 0 people found the following review helpful. Much more complete than Ric StevesBy CustomerThe most complete travel book on Portugal I've seen. This guide covers a lot of ground. I'm a fan of the Ric Steves books, but for Portugal you should go Baedeker. Ric almost never leaves the big cities and when he goes to the Algarve he writes about two towns (out of, like, 50) and virtually ignores the rest of the region. This book covers it all, though

sometimes not in as much depth as you'd like.
