Great book, even for a Portuguese speakerBy Valdemir PororocaEven though I am familiar with Portuguese, as a Brazilian

expatriate in the USA, I found this book to be very useful. It highlights the cultural characteristics of the Portuguese people in a very concise and poignant way, and provides valuable insights into the culture, customs and mentality of the Portuguese people. This book is a great resource for anyone traveling, studying or even just traveling in Portugal, and should be on the reading list for anyone visiting Portugal.
