**W. M. Kinsey : Portugal Illustrated: In a Series of Letters (Classic Reprint)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Portugal Illustrated: In a Series of Letters (Classic Reprint):

Excerpt from Portugal Illustrated: In a Series of LettersThe design of the author in visiting Portugal was to collect a. Variety of interesting facts from personal observation, and to bring back reminiscences of the feelings, manners, and

customs of its inhabitants, which might make the people of England better acquainted with the peculiar features of Portugal, than are even the inhabitants themselves. They are seldom known to make observations, and very unfrequently travel beyond the walls of their own quintas; and consequently can afford but scanty information to those inquiring few who venture to traverse their provinces. The traveller in Portugal is exposed frequently to danger, and always to considerable personal inconveniences which arise from the nature of the climate, and is generally left to hazard conjectures about matters of which in a country more advanced in civilization, and not so burdened by oppressive and unwise rule, he might naturally expect to meet on the spot with satisfactory explanations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
