I will be traveling in this area in October and had been searching for information about hiking in Geres park. Since I haven't actually used the book yet, I felt I couldn't give it five stars. However, I believe that my rating will increase by the end of my trip. 0 of 0 people found the following review helpful. Don't go to northern Portugal without it By JOHN TUNNA The maps, commentary, drives and hikes made a huge difference to our vacation. Every detail was accurate. This part of Europe is well worth exploring, and this guide will really help you enjoy it.
