Five Stars By Michel JUDET Good 3 of 3 people found the following review helpful. worked fine for driving around algarve By Pamela Van Cleave The map is very accurate and helpful. We drove from Lisbon down through Algarve and spent a week doing day trips. Not all of the smaller little towns were on the map, that is why I only gave it 4 stars. Otherwise, all of the highways and side roads were properly labeled, and it made driving back to Lisbon quite easy. 1 of 1 people found the following review helpful. Five Stars By Anne S.
