**Gary White, Elyn Aviva : Powerful Places in Scotland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Powerful Places in Scotland:

4 of 4 people found the following review helpful. I am so happy that I bought this book. By Barbara I have always wanted to see Scotland. It is the land of ALL of my ancestors. I know why they left and came to America, but I know

they were true Scots in their hearts, and so I have dreamed of going to see for myself and to honour their memories. This book has given me exactly what I have been searching for. So now I am planning in earnest. I plan on visiting these sites, and maybe I will be able to feel their presence. I will certainly try. Thanks to this book. 0 of 0 people found the following review helpful. Powerful Book! By pcarriesmith I love this book. The author conveys the sense and feeling of the places to the reader very well. I always wanted to visit these sites in Scotland, and now it is an even stronger wish. Very readable and well presented. 0 of 0 people found the following review helpful. Very useful information. By Focussquirrel Inspiring descriptions of places of interest to those on a journey of maybe not spirituality but rather ancient roots and wisdom.

Powerful Places in Scotland is not your usual guidebook. It's not about visiting places, it's about experiencing them. It invites you to explore a carefully chosen selection of places in this land of mountains, islands, and water. These remarkable sites include ancient stone circles, a mysterious holy island, a fairy glen—to name a few. The book gives detailed descriptions of these powerful places, how to get there, and what to do when you arrive. Numerous maps, graphics, and photos bring the locations to life. If you are intrigued by the unusual; if you long to connect more deeply with the places you visit; if you have a nagging feeling that there's more to some places than meets the eye—this is the travel guide for you.
