I agree with the previous reviewer, the CD looks like the 1990's. And it simply doesn't work as advertised. Shame on you McGraw Hill. I like a puzzle, and to use the book is a puzzle and a challenge which is not such a bad thing. Big thumbs down on the CD-ROM.0 of 0 people found the following review helpful. Beginning SpanishBy SMitchThis book really helped me to continue learning spanish. It is easy to follow and easy to read. It is the perfect book to add to your library. After studying this book, right away you will feel comfortable using what you have learned. The book is organized in a way to make learning spanish easy and fun.0 of 0 people found the
