AA : Prague (AA CityPack Guides) before purchasing it in order to gage whether or not it would be worth my time,

and all praised Prague (AA CityPack Guides):

In this new edition, the Top 25 sights and experiences are now in one section. We've selected the must-see sights for you and put them in one place - all you have to do is take your pick. If you want a bit more guidance, go to the new City Tours section, self-guided tours that bring you the best of the city. Or if you have extra time on your hands, turn to the More to See sights. Our new feature, Focus On, helps you to get to know the city in more depth. And we still include top tips on how to make the most of your trip, as well as great places to shop, eat, drink and sleep for every budget. But it's not just a guidebook. As you would expect from the AA, your CityPack also comes with a weather-resistant map that has all the sights located on it. The map has even got its own wallet in the back so you can fold away for safe-keeping.
