Kuperard : Prague (At a Glance Self-Folding Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Prague (At a Glance Self-Folding Map):

For the traveler weary of folding and refolding maps in a blustery London wind, Bravo's self-folding maps are a blessing as well as a necessity. With titles for many of the world's major cities, Bravo offers these maps with ease of use in mind. Each map is complete, giving instant and easy orientation. The maps list modes of transport, local sights and attractions, and events such as festivals. Legends are clearly marked in English and German, with markings for major highways, toll roads, and other route features. Each map is laminated for durability and opens with just one hand movement. Simple and easy to use, At a Glance maps will simplify life for even the most avid of travelers!
