Shocart : Prague City Map before purchasing it in order to gauge whether or not it would be worth my time, and all praised Prague City Map:

Prague 1:24,000 Street Map (Czech Republic) With the scale of 1:24,000, this folded map covers most of the city. It includes an inset with a detailed plan of the Prague's historical centre 1:10,000 and an inset with the Metro system. Legend in 8 languages (Czech, English, German, French, Hungarian, Russian, Slovak and Polish). Street name index is on reverse. The map is not burdened with hard cover so that it can be easily folded in half and inserted in any of your pockets. Folded size 9x5 inches, made in Prague. NOTE: for a complete coverage of Prague, an atlas is necessary - see item 9788072242610.
