**Military Mapping : Prague (Czech Republic) Environs 1:28,800, facsimile 1807 GOL** before purchasing it in order to gage whether or not it would be worth my time, and all praised Prague (Czech Republic) Environs 1:28,800, facsimile 1807 GOL:

Double sided folded map features two maps (1807 and 1869) from the military mapping of Austria-Hungary in the 19th century. Both maps are centred on Prague and show the city's growth within the six decades.
