From Map Group Inc. : Prague Insideout City Guide (Insideout City Guide: Prague) before purchasing it in order to gage whether or not it would be worth my time, and all praised Prague Insideout City Guide (Insideout City Guide: Prague):

The Prague Insideout City Guide includes a 64 page Insiders Guide, compass, and maps to help you travel intelligently around Prague. A classic Prague itinerary is provided with suggestions on how to best enjoy the city. 30 places to see, like the Prague Castle and the Royal Gardens, are described along with their history and an alphanumeric index corresponding to one of the helpful maps. 51 places to shop are identified and organized by categories such as bookstores, food markets, fashion, and jewelry and crystal ware. After each category, the guide lists the stores' specialties. There are 33 entertainment venues covering themes from church and classical music to clubs and sporting arenas. Each venue is described in detail, what it has to offer, and where it is located. The 30 restaurants included cover a wide range of ethnic tastes, along with a price guide to rate the restaurants from inexpensive to high priced. Last but not least is a comprehensive listing of all the practical information regarding Prague with a directory that has everything you need to know to get the best out of this exciting city.
