**Shocart : Prague (Praha) Classic 1:18,000 Handy Atlas / City Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised Prague (Praha) Classic 1:18,000 Handy Atlas / City Map:

This is the smallest, most handy plan of the entire Prague in an atlas format, 7x5 inches, 136 pages. It includes special easy-to-read mapping for central Prague 1:10,000. Other sections include an overview map of the road situation 1:100,000, environs of Prague 1:200,000, and metro inset map. Legend and all text information are in 8 languages (Czech, English, German, French, Italian, Russian, Slovak and Polish). This atlas is a must for everybody who needs to find places out of the city centre. Since it is made in Prague, it is always up-to-date and includes more information for visitors as well as traffic information than most other plans of Prague.
