Provence Mini Wall Calendar: Visitors to the region of France featured in this mini wall calendar return to it again and again because of their love for its lavender farms, rustic beauty, quaint homes and simple luxury. Once an ancient Roman province, Provence rests serenely between the Alps and the Mediterranean Sea. It is a land of sun-drenched markets, seaside villages, and cobblestone streets. It charmed the likes of Cézanne, Van Gogh, and Chagall. This wall calendar captures the everlasting allure of Provence.
