BrownTrout Publishers Inc : Provence 2012 Monthly Personal Planner before purchasing it in order to gauge whether or not it would be worth my time, and all praised Provence 2012 Monthly Personal Planner:

0 of 0 people found the following review helpful. My Perfect Monthly Planner By sherrisdca This is a beautiful monthly planner. Its the perfect size for my needs. Previously I used the pocket size monthly planner, but I was always running out of space. I didn't want to go to the weekly planner, because they are so big and too heavy to tote around in my purse. This planner gives me the best of both worlds with more writing space but it is very slim and light weight. The beautiful photography always brightens up my day.
