Paul Stirton : Provence and Cote d'Azur (Blue Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Provence and Cote d'Azur (Blue Guides):

Whether you are interested in the historic centres of Avignon, Arles and Orange; the resorts of Cannes, St Tropez and Nice; or exploring the beautiful, wild country inland, this is a guide to all that Provence and Cote d'Azur have to offer. The author has been visiting Provence for many years and is enthusiastic about its food and wine, remote villages and lively towns, as well as about its churches, ancient monuments and art collections. The guide includes hotel and restaurant recommendations, and detailed regional maps and town plans.
