Guide, Third Edition (3rd ed):

This guide to Provence and the Cote d'Azur offers accounts of Marseille, Nice and lesser-known towns and medieval hill-top villages. There is coverage of Monaco and the Riviera resorts, and there are descriptions of the off-shore islands and the remaining wild coastal stretches. The guide offers information on restaurants, hotels, festivals, museums, where to water ski and sail, and where to walk and hike. There is also information on the transport system.
